

# Architettura

Università degli Studi di Sassari

Visiting program of the University of Sassari, 2018-2019

## Scheduled lectures of Prof. Victor Eremeev from University of Gdansk

Asilo Sella, via Garibaldi 35 room A, 1st floor

July 11, 12-13: Two- and three-dimensional elastic networks with rigid junctions: Modelling within the theory of micropolar shells and solids (part I)

July 11, 13-14: Two- and three-dimensional elastic networks with rigid junctions: Modelling within the theory of micropolar shells and solids (part II)

July 26, 12-13: Strongly anisotropic surface elasticity: Anti-plane-surface waves (part I)

July 26, 13-14: Strongly anisotropic surface elasticity: Anti-plane-surface waves (part II)
